

NOTE: Please read this NOTE and check class schedule.

- All CS and EE students are required to bring their laptop when they attend classes on campus.
- Each class will have 40 or less students. School have rights to split class if exceeds the limit, and/or with different Professor, Day, and Time for the same course.
- Each course must have a minimum of 8 students in the class in order to keep the course open.
- Students can use Conference **Room (TBA)** to meet with professor and discuss how to do the assignment. Specially, students who take the Master thesis, Design Project, or Master Project can make an appointment with their professor and meet in Conference **Room (TBA)**.
- Students can take one internship course in each term. **To register for the internship class they must submit a copy of employment letter and contract form from their company along with registration form.** Students should be advised that Internship does not count as part of the elective courses required for graduation. It is intended to allow students to have a real life experience and is a simple P/NP course.
- TBA = To Be Assigned
- IC = Instructor concern
